**Notice of Event of Default**

**NOTICE IS HEREBY GIVEN** to the holders of the Notes of Series 9A (XS0189470726) issued by Pacific International Finance Limited (the "**Issuer**") presently outstanding (the "**Noteholders**" and the "**Notes**," respectively).

This Notice will serve to advise that as of the date hereof, an Event of Default has occurred and is continuing with respect to the Notes. The Event of Default arises out of the continued failure of the Issuer to make the required payment in full of interest on the Notes due on 25 September 2008.

Upon the occurrence of an Event of Default, Noteholders representing 1/5 in principal amount of the outstanding Notes or by adoption of an Extraordinary Resolution<sup>1</sup> may direct the Trustee, in writing (subject in each case to being indemnified to its satisfaction), to notify the Issuer that the Notes are immediately due and payable at their Redemption Amount, together with accrued interest thereon. The decision by each Noteholder to direct the Trustee to accelerate the Notes as described in the previous sentence should be considered carefully and should be subject to advice from such Noteholder's independent professional advisors. The Trustee will revert to the Noteholders shortly to seek appropriate direction.

In the meantime, Noteholders who have any questions for the Trustee are invited to contact the representative of the Trustee by email at [lbnyinquiries@us.hsbc.com](mailto:lbnyinquiries@us.hsbc.com).
