We are writing to you because of recent market events. As previously, although we are under no obligation to provide information in respect of the Notes or the Underlying Securities beyond that specified in the Offering Documents, in the present exceptional circumstances we believe it may be helpful to write to all Distributors to provide certain information relating to the Notes and the Underlying Securities. We would encourage you to provide this information to your customers who invested in the Notes.

Since we sent our previous notice to you in relation to the Notes on 2 April 2009, a credit event has occurred in respect of each of Idearc Inc. and Charter Communications Holdings, LLC. Whilst they are not Reference Entities (as defined under the Issue Prospectus for the Notes), they are Reference Entities (as defined under the PPMS for the Underlying Securities) under certain Reference Transactions which are referenced by the Master Swap Transaction for the Underlying Securities. Although Idearc Inc. was not listed as a Reference Entity under any such Reference Transactions, it subsequently became a Reference Entity as a result of the occurrence of certain Succession Events with respect to Verizon Global Funding Corp. (originally listed as a Reference Entity under Reference Transaction "Investment Grade Corporate Reference Entities").

As of the date of this notice, the occurrence of these credit events have not resulted in an Underlying Securities Default Event or an Early Redemption Event in relation to the Notes.

The Issuer can give no assurance as to whether an Underlying Securities Default Event or an Early Redemption Event will or will not occur in relation to the Notes in the future.

If you have any questions or queries regarding this notice or the Notes, please consult your own legal, tax, accountancy or other professional adviser as you may see fit.

Capitalised terms used but not otherwise defined in this notice or otherwise specified shall have the meanings ascribed thereto in the Issue Prospectus relating to the Notes dated 12 July 2005 (the "Issue Prospectus") or the Private Placement Memorandum Supplement of the Underlying Securities dated 15 August 2005 (the "PPMS"). The Issue Prospectus, the PPMS and certain other documents and information in relation to the Notes can be viewed on the following website: www.morganstanley.com/octavenotes.

Yours faithfully
